

## Company Parties

The Arborway, T.T. & Northwestern Railroad near Steelville, Mo., is one of the largest private 15" gauge miniature railroads in North America. The ATT&NW has about 5 miles of track on the ground; the main line run is around 3- 5/8 miles long which takes about a half hour to complete. The railroad features a spectacular single- and double-track main line graded to actual railroad specifications, the same automatic block signal and radio communication systems used by large railroads, two tunnels, one wood trestle, water tower, ten-stall roundhouse with turntable, is home to one steam engine along with several diesel locomotives, and a four-track car barn for storage of the railroad's sizeable collection of rolling stock. A three-story brick depot contains a museum full of historical railroad items/documents well as the history and building of the ATT&NW told by the late founder John R. Woods. The ATT&NW runs in hilly, wooded Ozark terrain which the railroad shares with white-tailed deer, wild turkeys and other species of Missouri wildlife.

Company parties typically last 3-4 hours. At this time people will be treated to self-guided tours through the museum to explore railroading history and several train rides behind the steam engine train and diesel trains given the size of the party. You will be provided with a large in- door area with tables and chairs, outdoor picnic tables, a large open grassy area for your games, and 2-3 portable toilets. The ATT&NW does not provide any catering or food services, but there are a few restaurants that have catered events at the railroad before or you can provide your own food and drinks. In setting up an event keep in mind a rain date. The ATT&NW does not operate during rainy condition.

Donation of

Up to 60 people \$1,500.00

60-130 people \$2,600.00

130-200 people \$3,600.00
