

## Kids Birthday Party

The Arborway, T.T. & Northwestern Railroad near Steelville, Mo., is one of the largest private 15" gauge miniature railroads in North America. The ATT&NW has about 5 miles of track on the ground; the main line run is around 3- 5/8 miles long which takes about a half hour to complete. The railroad features a spectacular single- and double-track main line graded to actual railroad specifications, the same automatic block signal and radio communication systems used by large railroads, two tunnels, one wood trestle, water tower, ten-stall roundhouse with turntable, is home to one steam engine along with several diesel locomotives, and a four-track car barn for storage of the railroad's sizeable collection of rolling stock. A three-story brick depot contains a museum full of historical railroad items/documents well as the history and building of the ATT&NW told by the late founder John R. Woods. The ATT&NW runs in hilly, wooded Ozark terrain which the railroad shares with white-tailed deer, wild turkeys and other species of Missouri wildlife.

The birthday party group includes access to our educational museum and 2 diesel train rides. Party package includes a shaded area with picnic tables able to seat 40 people, popcorn, bottled water for each person, and a ATT&NW t-shirt for the birthday kid, with all kids receiving educational railroad safety active book and materials. All other supplies for the party must be provided by you. In setting up an event, keep in mind a rain date. The ATT&NW does not operate during rainy condition.

Minimum party size of 25 people \$10.00 per person donation . All participants must have ATT&NW's insurance waiver filled out and turned in the day of the event. Waivers must be signed by the parent or legal guardian of anyone under the age of 18.
