

October 2007

Dear Friend:

The 2007 Miniature Railroad Convention held at the Arborway, T.T. & Northwestern Railroad on Woodsvalley Farm was a great success. Over 300 attendees representing 30 states and 3 foreign countries enjoyed three beautiful days at the convention. In addition to unlimited train rides, the attendees had the opportunity to drive a steam engine around the track, hear presentations on a number of railroad topics, meet with various train vendors and visit with many other train enthusiasts. The reviews are still coming in and it sounds like all in all everyone had a great time.

Your participation helped make the convention such a huge success. We would like to thank you for your donation of door prizes and/or attendee goody-bag items. The attendees really appreciated receiving a bag of "goodies" and had fun seeing who's name would be called next as the winner of a door prize. Thank you so much for your donation and your interest in our convention you helped make it fun for everyone.

We thought you might enjoy seeing the enclosed Convention Program which was distributed to all attendees.

Best wishes,

John Woods
